

TAPESTRY
ONLINE LEARNING JOURNAL

Tapestry

Your child's online learning journey

What is Tapestry?

This is our online learning journal
which parents can access from
home.

How we use Tapestry at Rosetta

- We use it to record observations of children's independent learning and adult-led focus activities.
- Please note - not all observations will have a picture.
- Group observations will not have a picture (your child may appear in a photo with another child, but their name will not or vice versa.)
- To share ideas and activities you can do with your child at home.

How we use Tapestry at Rosetta

We share approximately one observation per week
with parents / carers

What would we like parents to do?

Share your own observations from home. This could be anything that is significant for your child.

For example:

- Putting their coat on by themselves
- Recognising numbers whilst out shopping
 - Celebrating a special event
- Reading and retelling their favourite stories

How to set it up

In the first week of term you should receive an email from Tapestry - noreply@tapestryjournal.com with a link to create your password. Please check your junk mail folder too!

Once you have set your password, you will receive another email to say your account has been activated and a link to log in.

Tapestry can be accessed online at: <https://tapestryjournal.com/> It is also available as a free app from the Apple Store and also on Android devices.

How to set it up

Once your account is created you will be able to view observations of your child, make comments and create your own observations.

To create your own observation: Choose the 'Add Observation' option (or the 'plus' icon on a mobile device) and add the relevant information in the boxes on screen.

Please note:

- Please do not share photos or observations on social media.
- Permission to use photos/videos for Tapestry will be requested at the start of the school year. If we do not have this information we will contact you.
- Your child's data is kept securely.
- If you have any questions about Tapestry and need help using it/setting it up please feel free to ask.
